

Information for your safe visit to the spa

The health and safety of our guests and our employees is our highest priority. Our hygiene & protection concept is based on our long-standing quality strategy and the recommendations of the relevant professional associations (IAKS Germany, European Waterpark Association

e.V., Deutsche Gesellschaft für das Badewesen e.V., Deutscher Sauna-Bund) and the COVID-19 regulations of the government of the federal state of Baden-Württemberg on infection control measures against the spread of the SARS-CoV-2 virus.

Last changed Dezember 27, 2021

1. Requirements for your visit

ACCESS PERMISSION ALERT LEVEL II

- >> For **„boosted“** (convalescent and vaccinated people who have received their booster vaccination): Official certificate of the booster vaccination.
- >> For **„vaccinated“** persons: Official vaccination certificate, (the complete vaccination certificate must be older than 14 days, but not older than 3 months). Last vaccination older than 3 months: official vaccination certificate and negative rapid test (maximum 24 hours old) or PCR test (maximum 48 hours old).
- >> For those who have **„recovered“**: Evidence of an infection confirmed by a PCR test (at least 28 days and a maximum of 3 months ago). Last Infection older than 3 months: official certificate and negative rapid test (maximum 24 hours old) or PCR test (maximum 48 hours old).

>> **Test station in the foyer of the Caracalla Therme (daily from 8 a.m.) - very conveniently without reservation or appointment!** You will receive the test result immediately after a few minutes!

Excluded from the test obligation for the 2G + rule:

- Recovered / vaccinated people who received their booster vaccination.
- Fully vaccinated persons or recovered persons with a subsequent vaccination whose last required individual vaccination was at least 14 days and a maximum of 3 months ago.
- Recovered people who were infected with the coronavirus no more than 3 months ago.
- People for whom the STIKO has no recommendation for a booster vaccination. For example, fully vaccinated children and adolescents up to and including 17 years of age and pregnant women in the first trimester of pregnancy with a medical certificate.

For identification purposes, please present a photo ID or comparable document!

COLD SYMPTOMS

- >> Guests with cold symptoms and guests who have been in contact with anyone infected with SARS-CoV-2 within the last 14 days are prohibited from accessing all areas of CARASANA Bäderbetriebe GmbH.

CONTACT TRACING

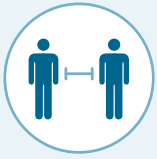

- >> Registration of all guests with the required data is mandatory. You can use the check-in function of the Luca app to register or simply can fill out our contact form.

MASK-WEARING

- >> Wearing an FFP2 mask or a medical-grade mask is mandatory in the entrance areas and until reaching the changing areas. Masks are not mandatory in the bathing and sauna area.

2. Hygiene requirements during your visit

KEEP YOUR DISTANCE

- >> In all areas of the spa, a minimum distance of 1.5 m from other persons must be maintained with the exception of members of your household.

NO HANDSHAKES / HUGGING

- >> Please refrain from the usual forms of greeting (shaking hands, hugging, etc.).

SHOWER THOROUGHLY

- >> Please shower thoroughly before entering the spa and saunas.

HYGIENE ETIQUETTE

- >> Please sneeze/cough into your elbow or a handkerchief. Wash your hands regularly or use the hand sanitizer dispensers provided.

SIT / LIE ON A TOWEL

- >> Please always place a towel on the entire surface area you are occupying while sitting or lying down.

CONTACTLESS PAYMENT

- >> Whenever possible, use cashless payment methods (card or VIP chip payment).

3. Our hygiene safety measures for you

NUMBER OF VISITORS

- >> The number of visitors in the spa and for specific services is limited.

REGULAR DISINFECTION

- >> We guarantee the disinfection of our bathing water against all viruses and bacteria. In addition, all touch, sitting and reclining surfaces are disinfected at regular intervals.

VENTILATION

- >> Our high-performance ventilation system ensures 100% fresh air exchange every 10 minutes, thus ensuring the highest air quality.

CLEANING

- >> For your safety, we clean surfaces such as handrails, door handles, toilets, etc. with increased frequency.

Thank you very much for your support! We hope you have a relaxing experience!

Antigen-Schnelltests
KOSTENFREI zur
Verfügung
gestellt!

SCHNELLTEST (Acura-Speicheltest)

Im Foyer der Caracalla Therme, direkt am Haupteingang, befindet sich die Schnellteststation von unserem Partner der Aurelia Apotheke für **Antigen Schnelltests** (Acura-Speicheltest).

Sie können gegen eine Gebühr von 7,90 Euro einen Antigen Schnelltests machen - ganz bequem ohne Reservierung oder Termin! Der Acura-Speicheltest ist sicher und schnell - aber deutlich weniger unangenehm als ein Nasen-Rachen-Abstrich. Öffnungszeiten: Täglich ab 8.00 Uhr.

Dans le hall des thermes Caracalla, directement à l'entrée principale, se trouve la station de test rapide de notre partenaire la Aurelia Apotheke pour les **tests antigéniques** (Acura saliva test).

Le test antigénique vous est proposé à 7,90 euros - aucune réservation ni rendez-vous nécessaire. Le test de salive Acura est sûr et rapide - et nettement moins inconfortable qu'un frottis nasal-bucal. Horaires d'ouverture : tous les jours de 8h.

In the foyer of the Caracalla Spa, directly at the main entrance, is the rapid test station from our partner the Aurelia Apotheke for rapid **antigen tests** (Acura saliva test).

You can do a rapid antigen test for a fee of 7.90 euros - very conveniently without a reservation or an appointment! The Acura saliva test is safe and quick - but significantly less uncomfortable than a nasopharynx swab. Opening hours: from 8 a.m. daily.

PCR-TEST

Die Aurelia Apotheke bietet ab dem 08.11.2021 in den Räumlichkeiten der Acura Klinik (Rotenbachtalstraße 5, 76530 Baden-Baden) auch einen **PCR-Test** an - ohne Reservierung oder Termin!

Öffnungszeiten: Täglich 10.00 bis 18.00 Uhr.

PCR-Testergebnis innerhalb 24 Stunden 49,- Euro
PCR-Testergebnis innerhalb 6 Stunden 79,- Euro

Melden Sie sich zum Abstrich an der Rezeption der Acura Klinik an. Einverständniserklärung (liegt im Eingangsbereich der Acura Klinik aus) muss vor Abstrich-Entnahme ausgefüllt und unterzeichnet werden. Ausweis oder Reisepass MUSS vorgelegt werden! Weitere Informationen unter Tel. +49 (0) 171 / 11 57-200.

A partir du 8 novembre 2021, la Aurelia Apotheke proposera également un **test PCR** dans les locaux de l'Acura Klinik (Rotenbachtalstraße 5, 76530 Baden-Baden) - sans réservation ni rendez-vous !

Horaires d'ouverture : tous les jours de 10h à 18h.

Résultat du test PCR dans les 24 heures 49,- Euro
Résultat du test PCR dans les 6 heures 79,- Euro

Inscrivez-vous pour le test à la réception de la Acura Klinik. La déclaration de consentement (disponible à l'entrée de la Acura Klinik) doit être dûment rempli et signée avant le prélèvement. Une pièce d'identité ou un passeport DOIT être présenté ! Plus d'informations au Tel. +49 (0) 171 / 11 57-200

From November 8th, 2021, the Aurelia Apotheke will be offering a **PCR test** in the building of the Acura Klinik (Rotenbachtalstraße 5, 76530 Baden-Baden) - without reservation or appointment!

Opening hours: 10 am to 6 pm daily.

PCR test result within 24 hours 49,- Euro
PCR test result within 6 hours 79,- Euro

Register for the swab at the Acura Klinik reception. Declaration of consent (available in the entrance area of the Acura Klinik) must be completed and signed before the smear is taken. ID or passport MUST be presented! Further information under Tel. +49 (0) 171 / 11 57-200.

Vielen Dank für Ihre Unterstützung! Wir wünschen Ihnen einen entspannten Aufenthalt!
